

The Community Princess Foundation (CPF) has been established to assist community organisations with small grants for projects, equipment, and event promotion.

Grants may not exceed \$200 and are intended for small scale projects. Community Groups looking to fund projects over this amount may seek to become a beneficiary under the Miss Wagga Wagga Quest.

Due to number of grants we may receive, the CPF reserves the right to approval, vary or reject applications based on the suitability of the application as decided by the CPF review committee.

Applications are restricted to Wagga Wagga based community organisations, clubs or schools for the benefit of the local community and must be used within the same calendar year as granted.

Details

Organisation Name: _____

Full Address: _____

Organisations Website: _____
